Height (storage)	90" / 2.3 m
Length (w/o tongue)	80" / 2.0 m
Sign Case Width	36" / 91.4 cm
Sign Case Height	34" / 86 cm

GENERAL SPECIFICATIONS

American Signal Company's 131T Digibrite™ features an all LED, two digit, trailer-mounted speed display sign. This radar speed trailer is equipped with a traffic radar operating in an "approach only" mode such that it defaults to display the speeds of approaching vehicles exceeding the user selectable "threshold" or "trigger" speed. The 131T Digibrite™ encourages motorist awareness and work zone safety, and is well suited for both highway and urban use.
